Sermon-Based Study Guide (and personal reflection)

"Layers" of KNOWING Jesus....

Any of the "layers" that you have question(s) about? If so, what might they be?

Please write out a definition of "humility of spirit." How does it compare to Paul's life?

Consider the circumstances that surrounded your salvation. Did you hear the still, small voice of God, or did He have to do something dramatic in your life? What did He do in order to cause you to recognize your sin?

Compare your life before Christ to your life now. What changes have occurred? How would you evaluate your progress of maturing in Christ?

Thank God for sending His Son to die your death and pray to be used for expanding His reach as you live for Him. Blessings!!

Take my life and let it be, consecrated Lord to Thee...."

Personal Reflection: How has the Lord used you recently to "make HIM known"? Rejoice in that occasion!
