Sermon-Based Study Guide (and personal reflection)

Integrity is the theme for Acts 21 seen and felt in Paul’s life. Please locate the following verses and consider how they speak to the idea of our integrity as Christ-followers.

1 Corinthians 7:24

1 Corinthians 10:31-32

Colossians 3:23

1 Thessalonians 4:11

What sets man apart from the rest of the animal kingdom? I.e. – What’s the difference between a human being at work and a beaver at work? How does this speak to the idea of integrity?

Have you ever been warned about taking a course that might have put you at risk for the sake of your faith in Christ? How do verses such as Philippians 1:21; Galatians 2:20; Ephesians 2:4-7 provide reinforcement to move forward?

What was a takeaway from your listening to the message on Acts 21? Please share.
